Shahzodbek

Full Stack Developer

About

My name is Shahzodbek, my family is Barliboyev, I was born on April 20, 2007 in the city of Olmalik, Tashkent region. My background in entering this field is simple, I had a high interest in technology from a young age and my ability to quickly absorb technical information was well developed.
I have been working in this field for 1 year, mainly as a freelancer

Work Experience

2023 feruary
Upwork.com
Frelancer

I worked on this site for a short period of 3 months, and the partners I worked with within 3 months left a positive impression
During this time, I created more than 10 projects and the client liked the product I made

2023 april
IT Center
Asistant Mentor

I worked as a teaching assistant in an IT center and during that time I found quick and easy ways to solve problems and reinforced what I knew and didn't know.
I would talk to the programmers
